

# The Better Fit for Flexibility

Putting a FlexSave™ flexible benefit plan in place provides your employees with important benefits for their health. Congratulations on continuing to take this important step in protecting your employees and your business.

Now, with a recent enhancement made to the HUB FlexSave™ plan, you can do even more to help your employees:

- Enhance and maintain personal health and wellness
- Pay for expenses not on the eligible expense list
- Help pay for expenses above the main FlexSave™ plan limits

Research shows that providing employees with a benefit aimed at improving their long term health and wellness can:

Increase employee engagement/morale

Improve productivity

Reduce employee absenteeism

Alleviate financial stress

Help employees reach their goals

## Put wellness to work in your business

Adding a new Wellness benefit to your FlexSave™ plan<sup>1</sup> makes additional funds available to your employees for reimbursement of valuable expenditures like gym memberships, smoking cessation, professional services and more.<sup>2</sup>
